## LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

#### WRITTEN QUESTION

Mrs Finocchiaro to the Minister for Police, Fire and Emergency Services, for all agencies falling under the Minister's portfolio responsibilities:

### AGENCY ADMINISTRATION

#### Note 1:

We have submitted similar questions to those below in past years prior to the Estimates Committee Hearings. Although it appears there will not be any Estimates Committee Hearings this year; we are submitting these questions in the interests of accountability and continuity, to enable the comparison of agency information across years.

#### Note 2:

If there is to be a Whole of Government response to any of the questions, it would be appreciated if these are referred early to the Minister responsible to enable a response within the same timeframe as the remainder of the questions.

#### Note 3:

My Office would be very grateful if the question could be inserted at the beginning of each answer.

## **Answer:**

NTPFES undertook one review to realise efficiencies in procurement which cost \$91,700. The report has not been tabled at the Legislative Assembly. The amount of administrative effort required to respond to the remainder of the questions is excessive and would result in undue diversion of resources from service delivery.
