WRITTEN QUESTION

Ms Purick to Chief Minister

Nolans Bore Project

1. How many and what sites and what locations with close proximity to Darwin Harbour have been identified as being suitable for Arafura Resources Limited's proposed processing facility associated with the Company's Nolans Bore Project?
-

Answer:

The Government has not identified a site or location in Darwin Harbour for the Arafura Resources Procession Plant.

No processing facility similar in nature to that proposed by Arafura Resources Limited will be located in Darwin Harbour.
