## WRITTEN QUESTION

Licensing Commission Report, 2006/07

Mr Elferink to Minister for Justice and Attorney-General

Section 21 of the *Northern Territory Licensing Commission Act* requires that an Annual Report be submitted with regard to the operations and functions of the Commission. Essentially the Annual Report cannot be tabled later than the October of the next financial year.

1. Why was the 2006-07 Annual Report not tabled until September 18th 2008.
  2. For what reason was the law broken.
