**WRITTEN QUESTION**

Mr McCarthy to the Minister for Local Government and Community Services:

**Essential Services Homelands**

The NT Government accepted the Commonwealth's \$155 million in funding for ongoing delivery of municipal and essential services in homelands and outstations.

- a) Can you please outline by community how this funding has been allocated, for what projects and the current status of the projects?
  - b) Can you please list what homelands / outstations were not funded under the Municipal Services program and housing maintenance program in the last financial year?
