

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Vowles to the Attorney-General:

Attorney-General

1. Legal Services (solicitor hours) has reduced by 12 000 hours. The budget paper says it was due to a contraction of the legal practice. What exactly does this mean?
 2. Have the Community Visitor Program arrangements been finalised for the Anti-Discrimination Commission? If so, is there any expected variant on the budget?
 3. Please outline the number of cases by civil and criminal before the lower courts and higher courts in 2011-12 and 2012-13 and the estimate for 2013-14.
 4. Please outline forecasts for cases by civil and criminal before the lower courts and higher courts in 2014-15.
