

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Maley to the Minister for Infrastructure Planning and Logistics:

NT Drivers Licence

1. Please provide the reasons for the new NT Drivers licences to be manufactured interstate.
2. Please advise if the Government intends in the future to manufacture and manage the NT Drivers licences cards in the Northern Territory?
3. Please advise the details of any research done to ascertain the cost to procure the required technology to produce the NT Drivers licences in the Northern Territory?
3. Please advise the number of complaints received regarding the receipt of the new licence taking longer than 28 days?
4. When an application for a new NT drivers licence is received a receipt is issued. Please advise how a Territorian / or liquor outlet can satisfy the requirements of the Banned Drinker Register to purchase take away alcohol where they hold only a receipt for a drivers licence and do not possess any other appropriate form of identification.
5. Please provide the reasons behind the decision not to retain the ochre colour of the NT Drivers licence.
