Subject: Permits for chemical 1080

QUESTION

How many permits for the chemical 1080 were issued in financial year 2020–21 versus financial year 2019–20?

ANSWER

In relation to the number of wild dog 1080 permits that have been issued in this financial year, the answer is that 64 five year permits have been issued so far this financial year. These are renewal permits.

In 2015–16, five years ago, a total of 82 five year permits were issued.
