

Question No : 316

Question : Government Vehicles

Question Date : 23/11/93

Member : Mr EDE

To : MINISTER for TRANSPORT and WORKS

1. By each division, what is the number of vehicles -
 - (a) owned; and
 - (b) leased.
2. What is the number of vehicles with private number plates by each division.

ANSWER

NT Fleet does not hold records of vehicles by budget division. The attached table lists numbers of light vehicles (sedans, station wagons, utilities and 4-wheel drives) owned and leased by NT Fleet and then hired to all government agencies, as well as the number of private number plated vehicles in each agency.
