7 February 2019

PUBLIC HEARING IN DARWIN

The Select Committee on a Northern Territory Harm Reduction Strategy for Addictive Behaviours is holding a public hearing in Darwin on Thursday, 15 February 2019.

“The Northern Territory has higher rates of tobacco consumption, cannabis use and alcohol risk than any other state or territory in Australia and these, in turn, are causing an unacceptable level of harm in our communities, it is time we turned this around” the Chair of the Committee, Mr Jeff Collins MLA said.

“The public hearing will provide the Committee with an opportunity to hear directly from service providers and from local, interstate and international experts in the field about the steps needed to reduce the harms from addictive behaviours”.

The Legislative Assembly of the Northern Territory set up the Select Committee to look into the extent and effectiveness of current harm reduction practices and treatment programmes in the NT and to identify actions the Government can take to improve these.

The members of the Committee are Mr Jeff Collins MLA (Chair), Ms Sandra Nelson MLA (Deputy Chair), Mr Gary Higgins MLA, and Mr Lawrence Costa MLA.

The Hearing will commence at 8.00 am in the Litchfield Room, Level 3, Parliament House and conclude at 4.00 pm.
