

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Guyula to the Minister for Education:

Education – North East Arnhem Land communities

The following questions relate to North East Arnhem Land communities, all of the Mulka electorate and including Gapuwiyak and Maningrida and their associated homeland towns:

1. Please provide a comparison of how many Principals in NE Arnhem Land remote schools are employed from and come from the local community and speak the local language compared with from outside the community?
2. How many Assistant Principals and Senior Teachers in NE Arnhem Land come from the local community and speak the local language compared with outside the community?
3. How many staff in NE Arnhem Land schools who are paid at a salary rate of CT1 to CT9 come from the local community and speak the local language as compared to from outside the community?
4. For Assistant teachers in NE Arnhem Land, for each school please provide information about how many Assistant Teachers are on Level 1 AT salary, a Level 2, Level 3, Level 4, Level 5 AT salaries? Please also provide information for how many years of service these AT's have worked within the schools?
5. Please provide information in relation to how many teachers in NE Arnhem Land schools have Tertiary ESL qualifications?
6. Could you provide the budget of each school in NE Arnhem Land including homeland schools for 2021?
7. In relation to homeland schools, please provide the budget for the Langarra school and the Douglas Daly school for 2021, as their budgets were recently compared in a Department report. Please provide the current enrolment numbers for each of those schools as well?
8. Please outline which Department positions, NOT school based positions, are solely focussed on supporting schools that are running bilingual programs?
