

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mr Maley to the Minister for Essential Services:

**Coolalinga Central Onsite Water Treatment Plant**

1. Please advise under what direction from Power Water Corporation (PWC) was the Onsite Water Treatment Plant (OSWTP) established at Coolalinga Central commercial shopping centre and residential estate?
2. Why was the OSWTP established and managed by the developer and not PWC?
3. Are you aware of any situation at Coolalinga Central OSWTP that would be considered a risk to the community?
4. What is PWC considering as options to provide a solution to this problem?
5. When will PWC be in a position to provide a public service with the installation of a rising main to this community and at what cost?
6. Why was the developer required to pay a \$1.8 million bond to PWC?
  - a) How are PWC proposing to spend the \$1.8 million bond?
7. Has this \$1.8 million bond been quarantined for the OSWTP?
8. Is the Government concerned about the protracted legal complexities that may prolong PWCs ability to access the site?
