Dear NT VAD Inquiry:

In reply to your request for feedback on the upcoming Voluntary Assisted Dying (VAD) inquiry is the following:

Do you support making VAD legal in the NT?

No. Assisted suicide is the ending of an innocent person's life. How can we pass laws that make such an act 'legal'? Assisted suicide is a form of murder – the taking of life. If it's illegal to commit murder in the NT then how can you pass a law that makes it OK in 'certain circumstances?' The NT should lead with a morally sound footing and reject any legislation to 'legalize' assisted suicide.

Dave Ives
