From:Ms CARTER to Honourable Syd STIRLING
Minister for Employment Education and Training

Question: 2-4
Could the Minister advise how he plans to expand the Work Health safety management training programs?

Answer:
Answered On: 06/27/2003
Answer: The Safety Management Training Program will be expanded by:
* increasing the number of safety management workshops to be conducted in regional and remote areas with staff in Alice Springs supplementing NT WorkSafe's training program;
* employing additional WorkSafe Officers with presentation skills during 2003-04; and
* aligning workshops with targeted industry programs.
