## **QUESTION ON NOTICE 2.2**

Can you advise how much has been expended over the last 12 months in providing support to school students and teachers when they are visiting Parliament House, or to the schools participating in the outreach program?

## **ANSWER**

\$48,000 was spent on the Schools Program (visits to Parliament House, staff visits to schools, Special Events for Schools, Outreach Program, and resources).

The NT Electoral Commission provides \$10,000 as a contribution towards school transport for those schools that attend a session with the Commission at Parliament House.
