

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Minister for Renewables, Energy and Essential Services:

Electricity in remote towns and communities

1. What is the total cost of providing electricity by IES (not including sewerage services) to the remote towns and communities?
2. What is the total electricity consumption of the remote towns and communities serviced by IES?
3. What is the total electricity consumption of the 25 communities where SETuP has established solar power?
