8. Did any of the community events approved by NTMEC not proceed? What happened to this budget allocation?
9. For Budget Reporting purposes NTMEC sits within the Department of Industry, Tourism and Trade (DITT). The DITT Budget Papers only show a single budget line without any budget line allocation or descriptive activity assigned to the budget. Does DITT and its CEO have any decision making power in relation to the NTMEC budget and/or the operations of NTMEC?
