**From:** Mr Steve Edgington

**To:** Hon Mark Monaghan

**Portfolio:** Mining

**Agency:** Industry, Tourism & Trade

**Subject:** Mining management plans

---

**QUESTION**

Of the 148 mining management plans assessed so far, please provide a break down per region for where those mining management plans are.

**ANSWER**

The stated total of 148 mining management plans (MMPs) assessed for the 2023-24 period was reported incorrectly. The number of MMPs assessed for the 2023-24 financial year to 31 May 2024 is 74.

The distribution of projects across regions for which MMPs have been approved is as follows:

<b>Region</b>	<b>Number of MMPs assessed per region</b>
Barkly Region	15
Central Region	20
Darwin SD and Environs <i>(incl Cox Peninsular, Grants Lithium)</i>	8
Darwin Region Balance <i>(incl Pine Creek, Toms Gully Mine)</i>	22
East Arnhem Region	2
Katherine Region	7
<b>Northern Territory</b>	<b>74</b>
