Answer: QUESTION ON NOTICE 1.5 and 1.6 Shadow Minister travel
It has been established practice for the administration of Shadow Minister travel - other than the Leader and Deputy Leader of the Opposition - for these entitlements to be pooled in accordance with Clause 11.3 of the RTD.

Accordingly there has not been a requirement for the Leader of the Opposition to advise the Speaker of the Shadow Ministers entitled to travel under the provision of Clause 11.1 and 11.2.
