**SUBMISSION**

I strongly support voluntary assisted dying (VAD). If you want to know what to do about VAD, you should check out the work Marshall Perron has done. The Federal Government removed the rights of Territorians to access VAD. The Federal Government are peanuts. It is time we have VAD again in the NT. At the end of my life, I do not want to suffer. I want the option for VAD. I question the reason for this Inquiry. Is it just to be politically correct? Is it to delay having VAD in the NT? Make VAD legal again now and stop wasting time.
