Dear Minister

Please be advised last Friday afternoon I issued Water Extraction Licence TLAM05 to L & B MacFarlane for maximum annual groundwater extraction of 5800ML/year with expiry date of 31/1/2022. The applicants were provided with the conditions applying to the licence, as considered by you at our meeting on Thursday 14/3/2013.

I discussed the conditions of the licence with the applicants and no major issues were raised by the applicants when they received their licence.

Regards
