RE: TRAVEL TO BRISBANE

Dear Madam Speaker,

Thank you for approving my travel to Brisbane pursuant to Clause 6.1 of the Remuneration Tribunal.

I travelled to Brisbane on the 20th February 2017 to attend a series of meetings aimed to increase and advance First Nations people participation in democracy.

I attended the National Indigenous Labor Caucus meeting at the Brisbane Commonwealth Parliamentary Offices, Level 36, 1 Eagle Street, Brisbane with my colleges the members for Arnhem, Karama and Arafura. The objective of this meeting was to discuss how we can encourage more Indigenous change-makers to participate in areas of policy development where we can all work together to achieve positive change.

It was a very productive two days and I am grateful for the opportunity to promote the work and wonderful life style of the Northern Territory.

Yours sincerely,

Chansey Paech
