

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs. Finocchiaro to the Minister for Infrastructure, Planning & Logistics

Darwin Cities Deal

1. Please provide a copy of the cost benefit analysis for the under-ground car park?
2. Please provide a copy of the studies undertaken to support the government's decision to build the underground car park?
3. Given there are 235 public servants currently parking within the state square precinct can you please advise whether this number of public servants will be given free parking in this proposed car park?
4. Given 85 car parks are allocated for staff within Parliament House currently will they be given free parking?
5. Please provide the final model of car park users and the financial model to support this?
6. Why didn't the government accept the lower tender of \$18.5 million from Sunbuild for this project particularly given its expertise in building underground car parks?
7. What due diligence was undertaken for the successful tenderer, the Tomazos Group, for the underground car park?
8. The Treasurer in announcing the awarding of the contract for the underground car park stated there would be 60 direct jobs and 165 jobs during construction. What specifically are the 60 direct jobs?
