

ESTIMATES COMMITTEE

Question Taken on Notice

Date: 12 June 2018

Subject: ICT Service Contractors - Fly-in Fly-out employees

From: Mr Gary Higgins, Leader of the Opposition

To: Hon. Nicole Manison, Treasurer

Agency: Department of Treasury and Finance

Number: 2.6

Question:

Do any of the contractors engaged to provide ICT services use fly-in, fly-out employees to work in your agency? The second part is how many fly-in, fly-out people are employed by contractors to work in your agency? Are there any local contractors who use fly-in, fly-out employees to work in your agency? If so, please advise the names of the companies and the number of fly-in, fly-out employees in each case.

Answer:

The Department of Treasury and Finance (DTF) does not contract out or outsource any functions. For the most part, DTF procures specialist consulting, legal and training services, as required, and conforms with the buy local policy framework in procuring such services. The services of an ICT firm were engaged in 2017-18 for work on the INTRA Territory Revenue Office system. The firm is local, and only local staff provided the procured services.
