Question: **5-8**
In relation to land clearing on pastoral leases, are applicants granted multiple years to complete the clearing of land?

Answer: There was question 5.8 in relation to land clearing on pastoral leases or applicants granted multiple uses to clear the land. Majority of pastoral lease land clearing permits require leaseholders to substantially commence the clearing activities within two years of the date of issuing the permit. Clearing activities must be completed within six years from the date the permit is issued.
