Question: **8-24**
Minister, can you please advise whether the council has erred or has the minister held the report, therefore not complying with this act? The report was the Heritage Advisory Council 17th Annual Report 2007-08 and it was tabled on 10 June 2009.

Answer:
Answered On:
Answer: The Heritage Advisory Council 2007-08 Annual Report was provided to the Minister for Tabling in Parliament on 14 May 2009. It was tabled in Parliament at the next available Sittings.

There were administrative delays within the Department in providing the Heritage Advisory Council's Annual Report to the Minister.

The Environment, Heritage and Arts Division of the Department takes full responsibility for the administrative delays associated with providing the Heritage Advisory Council's Annual Report to the Minister.
