

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Ms Purick to the Minister for Infrastructure, Planning and Logistics:

Uber Passenger Vehicle Service – \$1 Levy - Revenue Raised to date

- 1. Since the introduction of the Northern Territory Government (NTG) Uber Passenger Vehicle Service \$1 Levy fee (per every single destination trip) how much revenue has been raised?**

Please note that the Passenger Service Levy applies to all point to point transport services, including taxis, minibuses, private hire cars and ridesharing services.

Total revenue received from all point-to-point vehicles as at 31 March 2023 is \$12.3m.

- 2. At the date of this written question what has the revenue amount been used for or has the amount been directed into a consolidated revenue?**

The revenue is collected by the Department of Infrastructure, Planning and Logistics on behalf of the Central Holding Authority and is recorded as Territory income.
