From: Mr MALEY to Honourable Dr Peter TOYNE
Minister for Justice and Attorney-General

Question: **4-3**
My question to the minister is: over the past 12 months, how many warrants were issued for the non-appearance of people in the Magistrates Court or lower courts in the Northern Territory, and how many warrants were executed that is, those people brought back before the court so they could be properly dealt with according to law?

Answered On: 06/25/2003
Answer: 4.3 is the first of the two. That concerned the number of warrants that have been issued to the Magistrates Court and the number executed. The answer to that is 2648 warrants were issued and 691 warrants were executed.
