Subject: Consultancies engaged to manage the Data Centre

From: Dr LIM to Honourable Dr Peter TOYNE
Minister for Corporate and Information Services

4-12

Question: I ask the Minister to provide a table, or a list of consultancies, who are engaged to manage the Data Centre for 2002-03 and compare that with 2001-02.

Answer:

Questions from Estimate Review Sitting – 25 June 2003

Question 4.8

~~What processes are in place to ensure that payments are timely? As of today, how many accounts are considered current, that is less than 30 days old and at what value? Also, how many accounts are over 30 days old and at what value?~~

~~Can't do 4.8 this Sitting. The value is a special report that can't be run in time. We gave him the %paid within 30days as at yesterday.~~

Q 4.10

Accepting that the Minister has tabled documentation to respond to part of my question, I ask the Minister to provide such information as may be available to detail those companies or those contracts that were awarded through Certificate of Exemption and those without?

Questions from Estimate Review Sitting – 25 June 2003

Q 4.11

~~For 2002-2003, detail the expenditure of reports commissioned by the Minister, and all the departments or agencies that have been outsourced or contracted out. What was the purpose of the reports? Who or what organisations prepared the reports, and what was the cost? Have the reports been tabled or presented to the Assembly? What has been the outcome of those reports?~~

~~See attached schedule.~~
