Date: 14/06/2016 Output: Planning and Development
Sub Output: Land Development
Subject: Update on design on sewer pump at Humpty Doo

From: Mr Gerry Wood to Hon David Tollner
Lands & Planning

Question: **2-9**
Minister, can you please give an update on the design of the sewer pump station and drainage works at Humpty Doo and when will that work start? This was worth \$3.5m in last year's budget but it does not appear in this year's budget.

Answer:
Answered On: 07/07/2016

ESTIMATES COMMITTEE

Question Taken on Notice

Date: 14 June 2016 **Output:** Planning and Development

Subject: Update on design on sewer pump at Humpty Doo

From: Mr Gerry Wood MLA, Member for Nelson

To: The Hon David Tollner MLA, Minister for Lands and Planning

Agency: Department of Lands, Planning and the Environment

Number: 2.9

Question: Minister, can you please give an update on the design of the sewer pump station and drainage works at Humpty Doo and when will that work start? This was worth \$3.5m in last year's budget but it does not appear in this year's budget.

Answer:

The Department of Lands, Planning and Environment's (DLPE) 2014-15 Capital Works Program included funding of \$2.5 million for the provision of headworks in Humpty Doo.

DLPE provided \$2.5 million to the Power and Water Corporation (PWC) as a contribution to the design and construction of the Humpty Doo regional sewer pump station on Section 5835 Hundred of Strangways.

PWC is currently undertaking the design works for this sewer pump station.
