Subject: Mobile Police Van Deployment in Alice Springs

From: Ms Jodeen Terese CARNEY to Dr Christopher BURNS
Northern Territory Police Fire and Emergency Services

Question: 5-3
How many times has the mobile police van been deployed or operational at Larapinta, North Side and Todd Mall since it was launched in June 2006?

Answer:
Answered On: 16/08/2007
Answer:

No consolidated records of the operational use of the mobile police station have been kept since its launch.

The mobile police station has been used for special operations targeting both anti-social behaviour and youth related crime issues, on targeted traffic operations along the Stuart Highway, and for unique events such as the recent cyanide spill, and special events in both Alice Springs and Tennant Creek.
