QUESTION ON NOTICE 1.2

Question:

Mr MILLS: How many reports have been published by the Environment and Sustainable Development Committee

Answer:

The final cost of the publishing of the report now on the ledger was \$1573.00. There were 120 copies made of the report itself, and 120 copies of the transcripts of evidence.

The printing of the report was done in-house with the stapling and binding completed by a commercial printer. The total production of the transcripts of evidence was also completed by a commercial printer.
