Question: Of the 113 vacant full time equivalent (FTE) positions, how many are acting employees, temporary employees and contractors/consultants?

Answer:

The answer to this question is included in questions 4, 5 and 8 of written question 343 and 357 which was provided prior to Estimates. The written questions provide data on funded and vacant positions, categorised by permanent, temporary and acting arrangements,.

It should be noted that:

- as no staff are held against vacant positions, no FTE is recorded against these positions; and
- in relation to contractors and consultants, as they are considered an operational expense, they are not counted as an FTE.
