

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr. Higgins to the Minister for Housing and Community Development:

Homelands Extra Allowance app

1. Has the government developed an app or website for Homelands Extra Allowance (HEA) applicants to assist their account management?
2. If so, when was it developed and how much did it cost to develop?
3. If it hasn't, what plans are in place to enable the development of such an app or website?
4. How many applicants have there been for HEA since August 2016?
5. How many were successful?
6. From which communities were the successful applicants and how many works have been completed under the HEA?
7. What has been the rate of Indigenous employment for projects completed under the HEA?
8. What is the difference between works carried out under the HEA and the repairs and maintenance works done under the Remote Housing program?
