Petition

We the residents of 2 Kenna Court, Alice Springs, request that the NT Government remove the Alcohol Restriction sign from the premises, as we have never had any alcohol issues at the complex

Response

On 12 August 2019, the Department of Local Government, Housing and Community Development's Public Housing Safety Officers inspected the unit complex to re-assess the location of the Alcohol Restricted Premises declaration signage. It was agreed that the signage on the front block wall of the complex could be removed as there is a second sign located within the common area of the complex.

The Alcohol Restricted Premises sign located on the front block wall of the complex was removed on 14 August 2019.
