

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Elferink

to

Minister for Essential Services

PowerWater Corporation infrastructure Palumpa

PowerWater Corporation (PWC) receives funding from the Northern Territory Government in the establishment of a community service obligation to provide water and sewerage services to all customers at uniform tariffs.

With regard to the Palumpa community, and since October 2008:

1. How many PWC and contract personnel are permanently stationed in Palumpa.
2. How many persons, in any capacity and described by the task undertaken, attended Palumpa on behalf of PWC.
3. What activities were undertaken.
4. What was the value of work undertaken.
5. What recommendations have been made in regard to the repair, maintenance or replacement of PWC and associated infrastructure.

ANSWER
