

Answer No. 251

- 1. Please provide details of how the administration efficiency within the Aboriginal Areas Protection Authority of \$104 000 (identified in Budget Paper No 2) will be delivered in 2014/15, including impacts on specific programs or activities and staff establishment Parks and Wildlife.**

This is not relevant to Parks and Wildlife and should be referred to the portfolio.

- 2. What is the number of Parks & Wildlife rangers currently working for the Parks and Wildlife Commission?**

As at 31 March 2014 (Pay Period 20), the Parks and Wildlife Commission had 118 Rangers, against an approved structure of 133 Ranger positions. In addition to those identified in that pay period, the Commission has 11 staff identified as Rangers who are either on unpaid leave or are casual employees who did not receive payment in the specified pay period, bringing the total number of Rangers employed by the Commission to 129.

- 3. What is the total number visitors that attended all of the parks under the control of the Parks and Wildlife Commission in 2013-14?**

There were 2 207 837 visitors between 1 July 2013 and 31 March 2014.
