To: TREASURER

1. How many non-farm private sector business enterprises operate in the Northern Territory.
2. How many of these enterprises are liable to pay payroll tax.

ANSWER

1. It is not possible to give a definitive answer as there are no statistical collections which identify 'businesses' in the relevant manner.
2. While the number of taxpayers varies month by month, at present there are approximately 800 non-farm employers that are liable to pay payroll tax.
