Mr. BELL to MINISTER for TRANSPORT and WORKS

QUESTION

1. Will the Minister for Transport and Works make available the following documents in respect of the sodium levels of the Supreme Court building:

- (a) a consultant's report and
- (b) a legal opinion on liability,

which he referred in response to a Question without Notice on 17 August 1995.

ANSWER

Answered on 30/07/96

- 1. (a) The report prepared by the consultants commissioned to investigate the problem, Savant Pty Ltd, is not considered a public document and although non-controversial will not be generally released.
- 1. (b) In accordance with generally accepted practice in relation to matters which could give rise to litigation, it is inappropriate to disclose legal advice.
