Dear Sir/Madam,

I support making VAD legal in the Northern Territory (NT)

I believe that the NT is the only place in Australia where VAD is not legal.

I want Territorians to have equal rights with the rest of the country with regard to accessing VAD.

(I'm sure there is a process already worked out for how this works for people in remote communities in other states - can we use the model used by other states?)

Yours sincerely
Janette Carter
