Dear Sir/Madam.

I would like to register my thoughts on VAD.

Consideration #1.

I do support making VAD legal in NT.

#2.

Terminal illness with shortened life expectancy and debilitating life changers

#3.

Through a doctor/medical practitioner and the health system

#4.

Through a register with a doctor/medical practitioner.

Having lived with my Father dying of bowel cancer and him begging me to kill him.

And put him out of his misery.

Its not a matter of if you think its right or wrong to take your own life.

Its a matter of having the choice when in that position

Regards.

Don Murfett.
