Parliamentary Scrutiny Committee,

My name is Lisa Peters. I have lived in the Northern Territory for 28 years and value our heritage and environment.

I am strongly opposed to the Territory Controller Legislation.

Throughout history, on every continent on earth, when one or two people have exclusive control over a rubber stamp marked 'Approved', Processed' or 'Lets go Gung Ho' things don't end up for the greater good for most of the people.

This legislation would be detrimental to our health, our freedom and our way of life.

Please don't let this damaging, ill thought out, despotic act pass into Parliament.

Yours sincerely,

Lisa Peters
