Dear Mr <sup>Michael</sup>Tatham

I am writing in response to your letter of 5 May 2020, to the former Attorney-General and Minister for Justice regarding the Government response to the Legislation Scrutiny Committee report Inquiry into the Return to Work Legislation Amendment Bill 2020 (the Report).

The amendments in the Assembly Amendment Schedule (123GOV), incorporating recommendations 1 to 3 from the Report were accepted during the consideration in detail stage of the debate on 24 June 2020 and the Bill subsequently passed.

Recommendation 4 is for the Government's consideration and response in accordance with the Standing Order 201.

NT WorkSafe will examine the current limits on compensation that apply to workers who suffer a permanent impairment, at a percentage of the whole person of less than 15 per cent, for the purpose of the 260 week limit (five year cap).

Yours sincerely

SELENA UIBO
