Question Taken on Notice

Question Number: 1.14

Output Number: Opening Statement

Date: 10/06/2025

From: Ms Selena Uibo

To: Hon Lia Finocchiaro

Portfolio: Chief Minister

Agency: Chief Minister and Cabinet

Subject: Cost of changes to Machinery of Government

QUESTION

Given there are significant machinery of government changes, can you please outline to the committee the cost of these changes?

ANSWER

The Opposition Leader asked about the cost of the machinery of government changes. The Treasurer issued a direction and noted that the changes of transferring functions did not result in any additional cost to government, so it was cost-neutral and all came from within. That answers our component, but the Opposition Leader is more than welcome to ask the Treasurer further questions about that. Every agency was able to absorb it from within.
