

ESTIMATES COMMITTEE

Question Taken on Notice

Question Number: 2.9

Output Number: 10.1

Date: 11/06/2025

From: Leader of the Opposition

To: Minister for Logistics and Infrastructure

Portfolio: Logistics and Infrastructure

Agency: Department of Logistics and Infrastructure

Subject: Completed vs delayed projects

QUESTION:

What estimated number of completed verses delayed projects are currently in the pipeline?

ANSWER:

Projects currently in the 2024/25 program are as follows:

Projects Completed (practical completion)	188
Projects Underway (in construction on program)	262
Project Reprioritised	53

To cross reference each of these projects against the NT Infrastructure Program is administratively burdensome and noting that the pipeline is an estimated value in a particular year.
