Subject: Projects to upgrade and seal priority access roads to communities

QUESTION

The Australian Government has committed \$40m to upgrade and seal priority access roads to communities, including Imanpa along the Imanpa Road, Emu Point along the Emu Point access road and Mungkarta along the McLaren Creek access road. The project is expected to commence early 2025 and will be completed by late 2027. Can the Infrastructure minister please provide us with a breakdown of each project for design, completion and commencement?
