Subject: **Breakdown of New Additional Dwellings**

QUESTION:

Please provide a breakdown of where the new additional dwellings will be going by Region?

ANSWER:

2021-22 Approved HomeBuild Program

Region	Houses
Arafura	33
Arnhem	34
Barkly	37
Big Rivers	58
Central	85
Total	247

The approved HomeBuild program identifies expected commencement of planning, procurement and construction in the 2021-22 financial year and may not be completed within the period. The program does not include works commenced in 2020-21 which will be completed in 2021-22.

The approved program is a guide and is subject to local decision making, land availability and essential services, and overcrowding. The program may be varied for these reasons and it may result in more or less homes at times.
